

RAISING UP SPIRIT-FILLED WORSHIPPERS

SJCAC SCHOOL OF WORSHIP

SAN JOSE, CA

SPRING 2019

COURSE DESCRIPTION

This 5-Week Worship Training Course is designed to prepare students to become *Worshippers* of skilled musicianship. Through encountering the presence of God in worship, teaching sessions, and practical musical training, students will be equipped to bring back Spirit-filled worship into their ministry context.

Classes will be structured in 3 sections:

1. **Harp & Bowl:** Worship & Intercession
2. **Session:** Teaching theological foundations for worship, with ministry response time
3. **Jamming:** Time for students to worship and play in organized teams, with feedback given along the way.

As we enter into the fourth iteration of this school, we've had the privilege and joy to see God raising up His worshippers in Spirit and Truth. Truly, the Lord is calling to Himself men and women who will build the altar of worship & intercession, offering pure incense to heaven, and ushering in the return of Jesus Christ!
